BAR STOOL**

A TIMELESS ELEGANCE

The Ipanema Bar Stool achieves a perfect harmony between modern elegance and traditional craftsmanship, making it a timeless and versatile addition to any space. Expertly crafted from cast brass, its sleek and sculptural design is enriched by the distinct texture and warmth of the material. The carefully cast brass elements highlight the stool's sophisticated structure, creating a striking contrast between minimalist form and bold presence.

While the Ipanema Bar Stool embraces a contemporary style, its classical influences ensure it complements both modern and traditional interiors with ease. This blend of aesthetics makes it an eye-catching piece, elevating any setting with its refined charm and enduring appeal. Ideal for those seeking a piece that transcends passing trends, the Ipanema Bar Stool offers unmatched elegance and character, becoming the perfect focal point for luxurious living spaces.

About the Designer: Vasco Pintado

Vasco Pintado is celebrated for his ability to merge traditional craftsmanship with contemporary design, creating furniture and lighting that double as functional art. Inspired by the interplay of bold materials and elegant forms, his work transforms spaces with its timeless sophistication. Each creation is a testament to his dedication to quality, innovation, and the seamless blending of artistry with utility.
