TULUM

**TULUM
FLOOR LAMP**

A HARMONIOUS FUSION OF TIMELESS CRAFT AND MODERN INNOVATION

The Tulum floor lamp is a striking blend of craftsmanship and innovative design. Constructed from antique brass, this elegant piece features a flexible body that allows for versatile positioning, offering both functionality and aesthetic appeal. The lamp is balanced by a spherical base, seamlessly integrated into the main axis, creating a harmonious and refined form. Its unique design captures the essence of contemporary lighting while paying homage to timeless materials, making the Tulum lamp an exceptional addition to any modern interior space.

About the Designer: Vasco Pintado

Vasco Pintado is recognized for his exceptional ability to blend traditional craftsmanship with contemporary elegance. His work transcends mere functionality, transforming lighting and furniture into sculptural masterpieces. Drawing inspiration from the interplay between organic materials and refined design, Pintado creates pieces that elevate any space, offering a perfect balance of sophistication and artistic expression. His dedication to quality and innovation is evident in every creation, making each piece a unique statement.
